

CBERT 2020 - International Campuses Survey

1-Welcome

Dear Administrator,

You are invited to complete the following survey on cross-border academic ventures. The survey is being conducted by the Cross-Border Education Research Team (C-BERT) and will take about 20 minutes to complete.

For the past ten years, the Cross-Border Education Research Team (www.cbert.org) has maintained a comprehensive list of cross-border academic ventures and is seeking your help in updating the information. By participating in our survey, your international campus will be included in our list and will help advance our understanding and research about cross-border education. As a respondent, we will provide your campus with a summary of the survey findings to review the status of campuses worldwide.

We will close all surveys on November 6, 2020. We recognize your time is valuable and truly appreciate the information provided.
